The Chinese zodiac is a traditional classification scheme based on a twelve-year cycle, with each year corresponding to an animal sign. This system is deeply embedded in Chinese culture and influences aspects of personality, fortune, and compatibility. The twelve animals—Rat, Ox, Tiger, Rabbit, Dragon, Snake, Horse, Goat, Monkey, Rooster, Dog, and Pig—each embody unique traits and symbolic meanings.

The Origins and Cultural Significance

The origins of the Chinese zodiac trace back thousands of years, rooted in ancient Chinese astronomy and folklore.
