Origins and Family Background

The clan Puccio historia real begins with the Puccio family, who lived in San Isidro, a wealthy suburb of Buenos Aires. The family was headed by Arquímedes Puccio, a former intelligence officer with a background in the Argentine secret service. Despite their outward appearance as a respectable, upper-middle-class family, the Puccios concealed a dark and sinister secret. Arquímedes' military and intelligence experience played a crucial role in planning and executing their criminal activities. The family included his wife, Epifanía, and their children, some of whom were directly involved in the kidnappings. This dichotomy between their public image and criminal behavior forms the basis of the clan Puccio historia real.
