Voting Methods and Polling Locations

In-Person Voting

Voters can cast their ballots at designated polling locations within their county. Polling places are open from 6:30 a.m. to 7:30 p.m. on Election Day. It is important to verify the assigned polling site as locations may vary by precinct.

Early Voting

Early voting is available for Ohioans who prefer to vote prior to Election Day. This option helps reduce wait times and offers flexibility for those with scheduling conflicts. Early voting locations and hours can be obtained from the county board of elections.

Absentee Voting

Ohio permits absentee voting for qualified voters who cannot vote in person due to reasons such as illness, disability, or travel. Absentee ballots must be requested in advance and returned by the deadline to be counted.

Identification Requirements

Providing proper identification is mandatory when voting in Ohio. The Ohio voter guide August 2022 outlines all acceptable forms of ID to ensure that voters are prepared and avoid delays at the polls.

Accepted Forms of Identification

- Current utility bill, bank statement, paycheck, or government document showing name and address
