Additional Resources

1. Rise of Tiamat: The Tyranny of Dragons Campaign Guide

This core adventure book for Dungeons & Dragons 5th Edition details the epic campaign where players confront the cult of the dragon and the looming threat of the dragon goddess Tiamat. It provides rich lore, challenging encounters, and extensive guidance for Dungeon Masters to run the game. The narrative focuses on preventing Tiamat's return to the world, blending political intrigue and high-stakes combat.

2. Hoard of the Dragon Queen

Preceding Rise of Tiamat, this adventure module sets the stage by chronicling

the early movements of the Cult of the Dragon as they gather treasure and power. Players embark on a quest to thwart the cult's schemes and uncover their sinister plans. It offers foundational story elements that seamlessly lead into Rise of Tiamat.

3. *The Tyranny of Dragons: Player's Companion*

This supplement provides players with new options tailored for the Tyranny of Dragons campaign, including new character subclasses, backgrounds, and feats. It enhances player customization and immersion in the campaign's draconic themes. The companion also includes useful information about the factions and key NPCs involved.

4. *Dragonmarked*

A sourcebook focusing on the dragonmarked houses of Eberron, offering in-depth lore about dragonmarks, their powers, and political influence. While not directly tied to Rise of Tiamat, it enriches the understanding of dragon-related magic and factions that can inspire campaign elements. It's valuable for DMs looking to incorporate dragon-themed content.

5. *Fizban's Treasury of Dragons*

This extensive resource delves into the mythology, biology, and culture of dragons across the D&D multiverse. It expands on dragon-related spells, magic items, and new draconic subclasses, providing tools to enhance any dragon-centric campaign, including Rise of Tiamat. The book also includes new dragon types and lairs to challenge players.

6. *Storm King's Thunder*

Though centered on giants, this adventure shares thematic elements with Rise of Tiamat, such as large-scale threats and epic battles. It offers inspiration for high-level campaigns involving powerful foes and world-shaking events. DMs can draw parallels to Tiamat's threat when crafting their own narratives.

7. *Princes of the Apocalypse*

This adventure module explores elemental cults threatening the world, similar in scale and style to the Cult of the Dragon in Rise of Tiamat. It provides a framework for dealing with multiple villainous factions and complex plots. The book is useful for players and DMs interested in cult-based storylines.

8. *Dragonlance: Shadow of the Dragon Queen*

Set in the iconic Dragonlance setting, this campaign involves dragon-related conflicts and the rise of draconic forces. It offers a different perspective on dragons and their impact on world events, complementing the themes found in Rise of Tiamat. The narrative combines classic fantasy elements with dragon-centric storytelling.

9. *Volo's Guide to Monsters*

A comprehensive bestiary that includes detailed entries on various dragons and dragon-related creatures. It provides rich background information and encounter ideas that can enhance the Rise of Tiamat campaign. The guide helps players and DMs deepen their understanding of monstrous threats.
