Overview of SAT Vocabulary Lesson 1

The initial SAT vocabulary lesson is designed to introduce foundational words that frequently appear on the exam. This lesson focuses on essential vocabulary that tests students' understanding of word meanings, connotations, and context. The selection of words in Lesson 1 is based on their relevance and recurrence in SAT reading passages and questions. By mastering these words, students build a robust lexical base that aids in deciphering complex texts. The lesson typically includes word lists, definitions, example sentences, and practice questions to reinforce comprehension. Understanding the structure and objectives of Lesson 1 is crucial for systematic vocabulary acquisition.

Purpose and Structure of Lesson 1

Lesson 1 aims to familiarize students with high-frequency SAT words through a structured approach. It begins with introducing vocabulary words alongside clear, concise definitions. Following this, example sentences demonstrate how each word functions in context, enhancing practical understanding. The lesson concludes with practice exercises that challenge students to apply their knowledge in various question formats, such as multiple-choice and sentence completion. This comprehensive structure promotes active engagement and retention of new vocabulary.

Importance of Early Vocabulary Acquisition

Building a strong vocabulary foundation early in SAT preparation is vital for success. Early acquisition enables students to approach reading passages with confidence, improving speed and accuracy. It also enhances performance in writing and language sections by expanding the range of expressive and precise word choices. Lesson 1 sets the tone for continued vocabulary development, establishing study habits and strategies that students can apply throughout their preparation journey.

Key Vocabulary Words and Definitions

Lesson 1 introduces a curated list of essential SAT vocabulary words. These words are carefully selected for their frequency and relevance, providing students with the tools necessary to interpret challenging texts. Each word is presented with its part of speech, definition, and an example sentence to contextualize usage. Mastery of these words is foundational for tackling more advanced vocabulary in subsequent lessons.

Selected Vocabulary Words from Lesson 1

1. **Abate** (verb): to lessen in intensity or degree; to decrease. *Example: The storm began to abate after several hours of heavy rain.*
