The Book of Thoth is an esoteric text authored by Aleister Crowley, one of the most influential occultists of the 20th century. Written in the late 1930s, the book serves as an explanatory companion to the Thoth Tarot deck, which Crowley designed in collaboration with the artist Lady Frieda Harris. The deck and book were intended to reflect Crowley's unique philosophical and mystical system, incorporating elements of Thelema, Hermeticism, and Western esotericism. The name "Thoth" references the ancient Egyptian deity of wisdom, magic, and writing, symbolizing the deep spiritual knowledge embedded within the tarot cards.

Aleister Crowley and Lady Frieda Harris

Aleister Crowley was a prolific writer, magician, and founder of the religious philosophy known as Thelema. His collaboration with Lady Frieda Harris resulted in a tarot deck unlike any before, rich with symbolic complexity and innovative artistic design. Harris's paintings brought Crowley's vision to life over several years, making the deck and accompanying book a unique artistic and occult achievement.

Development and Publication

The Book of Thoth was first published in 1944, shortly after the completion of the tarot deck. Major and Minor Arcana

The book provides comprehensive interpretations of both the Major Arcana and Minor Arcana cards. Each Major Arcana card is analyzed in terms of its symbolic imagery, astrological ties, and spiritual significance. Similarly, the Minor Arcana, divided into four suits, is examined through the lens of elemental and numerological symbolism.

Philosophical and Magical Context
